# Access Community

Rehabilitative Behavioral  
Health Services

## Welcome to Access Community

Access Community is a community-based behavioral health organization dedicated to serving the diverse needs of youth and families in South Carolina.

Our evidence-based practices are uniquely enhanced by comprehensive community support services that further promote the maximum functioning and empowerment of youth and families.

We are committed to providing easy access to services. We offer flexible hours of operation and transportation to and from services. Our services may be provided at home, at school, in the community, and at our Centers.

## Positive Outcomes for Youth and Families

---

We focus on providing empirically proven programs and services to help youth and families achieve positive outcomes.

A broad range of services and modalities are utilized to assist our diverse consumers in meeting their long and short-term goals.
